

TOMTOM, INC AUTHORIZED CANADIAN DEALERS

To become authorized to sell TomTom products a reseller must complete the following:

1. establish an account with one of our authorized distributors (please see our list of distributors on the “where to buy” section of our website).
2. complete a TomTom dealer profile form (available via your selected distributor)
3. commitment to quality support, merchandising, and display of TomTom products
4. commitment to support TomTom customers
