The international map must be downloaded by 31 March 2016. Not all countries will form part of the available maps to download. The only maps available for download are those outlined in Clause 14.
16. The map is available via electronic download only. It is a one-off download only. Claimant must have access to a computer with a broadband connection to download the map. Registration with TomTom's on-line systems is required to complete the download. The international map download is subject to the claimant's TomTom GPS unit space availability. Claimant may be required to purchase a micro SD card to install your chosen International Map if your TomTom GPS does not have enough storage space available.
17. If the claimant's chosen map reward is unavailable, the Promoter, in its discretion, reserves the right to substitute the map with a map, or combination of maps, to the equal value.
18. The map is not transferable or exchangeable and cannot be taken as cash, unless otherwise specified.
19. If this promotion is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including but not limited to technical difficulties, unauthorised intervention or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law (a) to disqualify any claimant; or (b) to modify, suspend, terminate or cancel the promotion, as appropriate.
20. Any cost associated with redeeming the map reward is the claimant's responsibility and is dependent on the Internet service provider used.
21. The use of any automated software or any other mechanical or electronic means that allows a claimant to automatically claim repeatedly is prohibited and will render all claims submitted by that entrant invalid.
22. Nothing in these Terms and Conditions limits, excludes or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Singaporean legislation. Except for any liability that cannot by law be excluded, the Promoter (including its respective officers, employees and agents) excludes all liability (including negligence), for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special or consequential, arising in any way out of the promotion.

23. Except for any liability that cannot by law be excluded, including the Non-Excludable Guarantees, the Promoter (including its respective officers, employees and agents) is not responsible for and excludes all liability (including negligence), for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special or consequential, arising in any way out of: (a) any technical difficulties or equipment malfunction (whether or not under the Promoter's control); (b) any theft, unauthorised access or third party interference; (c) any entry or prize claim that is late, lost, altered, damaged or misdirected (whether or not after their receipt by the Promoter) due to any reason beyond the reasonable control of the Promoter; (d) any variation in prize value to that stated in these Terms and Conditions; (e) any tax liability incurred by a winner or entrant; or (f) use of a prize.
24. The Promoter collects personal information in order to conduct the Promotion and may, for this purpose, disclose such information to third parties, including but not limited to agents, contractors, service providers and reward suppliers.
