You agree that this EULA is enforceable like any written negotiated agreement signed by you. This EULA applies to (the use of) TomTom software, including Internet-based services, and all contents and contents programs offered by TomTom (“Software”).

Please read this EULA carefully. By using all or any portion of the Software you accept all the terms and conditions of this EULA. Breaking the seal of a cd-rom, floppy disc, memory card or any other media, and pressing the “I agree” button for a download of any Software, updates, upgrades or supplements is considered use of the Software.

If you do not agree to the terms of this EULA, you are not entitled to use the Software and you must press the “Cancel” button to decline the download. If you have already paid for the Software you may obtain a refund of the purchase price provided that you do not use the Software.

1) GRANT OF LICENSE: This EULA grants a license (“License”) that permits you to use the Software, provided that Software that is combined with a hardware device is only combined with one hardware device at any time. This License is non-exclusive and non-transferable. This License does not grant any rights to obtaining future upgrades, updates or supplements of the Software. If upgrades, updates or supplements of the Software are obtained, however, the use of such upgrades or updates is governed by this EULA and any amendments to it unless other terms accompany the upgrades, updates or supplements in which case those terms apply.

2) COPYRIGHT: Copyright and other intellectual, industrial and/or proprietary rights to the Software and to any copies that you may make are owned by TomTom and/or its suppliers. TomTom permits you to use the Software only in accordance with the terms of this EULA. All rights not specifically granted in this EULA are reserved by TomTom. You may either (a) make one copy of the Software solely for backup or archival purposes, or (b) transfer the Software to a single medium, provided you keep the original solely for backup or archival purposes. You may not copy the product manual(s) or written materials accompanying the Software, except for own use. You only become the owner of the material data carrier, if any, and you do not acquire ownership of the Software.

3) OTHER RESTRICTIONS: Renting, lending, public presentation, performance or broadcasting or any other kind of distribution of the Software is prohibited. Other than as permitted by applicable legislation, you will not, and will not allow any other person to, modify the Software or any part thereof, to analyze it by means of reverse engineering, to decompile or disassemble the Software, or to make products derived from it.

This exclusion does not apply to (i) any implied condition as to title and (ii) any implied warranty as to conformity with description. If applicable law requires any implied warranties with respect to the Software, all such warranties are limited in duration to ninety (90) days. Some states and/or jurisdictions do not allow limitations on how long an implied warranty lasts, so the above may not apply to you.

TomTom is providing these links and access to third-party sites and services to you only as a convenience, and the inclusion of any link or access does not imply an endorsement by TomTom of the third-party site or service.

10) **THIRD PARTY RIGHTS:** A party which is not a party to this EULA has no rights under applicable legislation in relation to the rights of third parties to rely upon or enforce any term of this EULA but that does not affect any right or remedy of a third party which exists or is available apart from such applicable legislation.

11) **ENTIRE AGREEMENT:** This EULA (including any addendum or amendment to it which may be supplied with the Software), if applicable, and any other terms and conditions, if applicable, is the entire agreement between you and TomTom relating to the Software and the support services (if any) and they supersede all prior or contemporaneous oral or written communications, proposals and representations with respect to the Software or any other subject matter covered by this EULA. To the extent that the terms of any TomTom policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall govern.
